## Step 4 – Personalized Plate (complete ONLY if requesting a personalized plate)

### Personalized plate instructions

- Check to see if your plate is available at [dol.wa.gov](http://dol.wa.gov). Certain letter and number combinations are not allowed.
- List plate choice in order of preference.
- Characters:
  - You can use letters, numbers, dashes, or spaces. You cannot use unusual characters: #, %, &, @, etc. Spaces and dashes are considered characters; leave a box empty to indicate a space.
  - Clearly show the letter or number characters “I,” “1,” “O,” or “0” (zero). Because of similarities with “l” or “1” and “O” or “0” (zero), we treat them as the same. If one version already exists, you won’t be able to use the other. For example, ROOT = R00T and SING = S1NG.
  - Enter the meaning of the plate
- Unacceptable plates include those which may be: sexual or vulgar in nature; blasphemous; misleading; related to illegal substances; implying ethnic, lifestyle, or gender slurs; or are contrary to our mission to promote highway safety.
- Complaints may result in the cancellation of a personalized plate.
- We will make the plate exactly as indicated on the application.
- Allow at least 8 weeks to receive your plates.

Standard-size plates have 1–7 characters; motorcycle and small trailer plates have 1–6 characters.
